PROFESSIONAL SUMMARY

Aspiring Software Developer and Data Analyst with hands-on experience in Python, PHP, SQL, JavaScript, HTML5, CSS3, MySQL, Tableau, Microsoft Excel, Git, GitHub, Visual Studio Code, and XAMPP. Skilled in full-stack web development, database management, business intelligence and data visualization, with experience building scalable web applications and interactive dashboards. Strong analytical thinking, problem-solving, and debugging abilities, committed to continuous learning and delivering efficient, user-focused, and data-driven solutions.

TECHNICAL SKILLS

Programming Languages: Python, PHP, JavaScript, SQL

Web Technologies: HTML5, CSS

Database: MySQL

Data Analysis: Tableau, Excel, Data Analysis, Data Cleaning, Data Reporting and data Visualization.

Tools & Platforms: Git, GitHub, Visual Studio Code, XAMPP

Core Concepts: OOP, Data Structures, CRUD Operations, Web Development, Debugging & Testing

PROJECT

Placement Management System | HTML, CSS, JavaScript, PHP, MySQL and XAMPP

Github Link : <https://github.com/Leenavincit/College-Placement-Management>

Developed a full-stack Placement Management System with 3 role-based portals for administrators, students, and recruiters.

Built 12+ core features, including authentication, job posting, application tracking, resume upload, interview scheduling, and placement reporting.

Designed a MySQL database with 9 relational tables and implemented CRUD operations using PHP. Tested the application with 50+ sample student records, 20+ company profiles, and 30+ job postings to validate system functionality.

Sales Performance Dashboard | Tableau | SQL | Microsoft Excel

Github link : <https://github.com/Leenavincit/Sales-Analytics-Dashboard>

Developed an interactive Sales Performance Dashboard using Tableau, SQL, and Microsoft Excel to analyze sales, profit, and business performance.

Created dynamic visualizations, KPI cards, regional and category-wise analysis, and trend reports to support data-driven decision-making.

Performed data cleaning, transformation, and analysis to generate meaningful business insights and improve reporting efficiency.

PUBLICATION

Artificial Intelligence and Machine Learning in Computer Science

Book Chapter | Beyond Line Publisher | 2024

Published a book chapter in the e-book Emerging Innovations and Applications in Computer Science, Statistics and Data Science.

E-ISBN: 978-93-95659-93-2

INTERNSHIP

Python Programming Intern

CodTech IT Solutions Private Limited

June 2025 – July 2025

Developed proficiency in Python fundamentals, including variables, functions, loops, conditional statements, file handling, and object-oriented programming.

Applied Python concepts through hands-on coding exercises and practical assignments.

Strengthened analytical thinking, debugging, and problem-solving skills by working on programming task

Teaching Intern | St. Joseph's University

Assisted faculty in academic and administrative activities.

Prepared presentations and technical documentation.

Strengthened communication, teamwork, and organizational skills.

ACHIEVEMENTS

Implemented a web-based Placement Management System in my college using PHP, MySQL, HTML, CSS, and JavaScript.

Published a book chapter on Artificial Intelligence and Machine Learning in an ISBN-registered academic publication.

EDUCATIONAL QUALIFICATION

M.Sc. Computer Science | St.Joseph's college (Arts & Science) | 2026 | 87%

B.Sc. Computer Science | Apollo Arts and Science College | 2023 | 84%

HSC|St.John's school| 2020 | 72%

SSLC | St.John's school| 2018 | 87%

CERTIFICATIONS

Python Programming – Besant Technologies

MySQL Database – Besant Technologies

NPTL Database Management System

COURSES AND WORKSHOPS

AI Sparks: Igniting Innovation through Machine Learning and Deep Learning – Workshop

Artificial Intelligence in Cybersecurity– Workshop

Data Security in AI Models

Smart Learning with Artificial Intelligence

Recent Trends and Emerging Technologies in Computer Science: Innovation, Application and Research Perspective– FDP

LANGUAGES

English – Professional Proficiency

Tamil – Native Proficiency
